ACT

ThinkCERCA has both reading and english assessments that one can use 4 times per year for annual growth and vertical growth.

Administering the Assessments

Directions for administrators and teachers

The actual ACT English test asks 75 questions in 45 minutes.

The actual ACT Reading test asks 40 questions in 35 minutes.

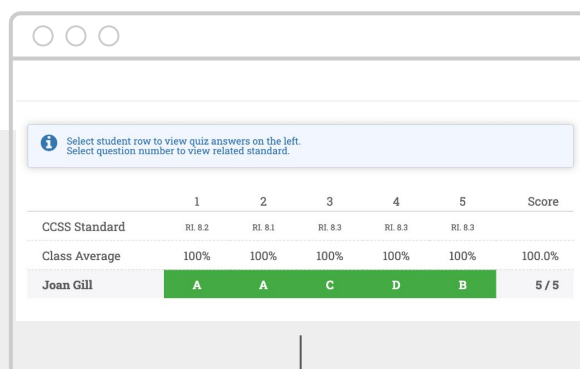

ThinkCERCA's practice passages can be used in timed or untimed practice, depending on the instructional objectives. If used for timed practice, allow 6-7 minutes for English passages and 7.5-8.5 minutes for Reading passages.
