

PRE-IMPLEMENTATION

- Visit <https://learn.thinkcerca.com/signup> to create your account.
 - Follow prompts and use the Activation Code sent via email*
- Set up student accounts ([instructions here](#))
- Complete Chapters 1, 2, 3, and 4 of the [Teacher Training Courses](#)
- Explore the platform: Familiarize yourself with our Writing Lessons, Direct Instruction Lessons, and Skills Lessons.

INITIAL IMPLEMENTATION

- Assign the following to your students to introduce and/or reinforce the CERCA Framework (*you do not need to be set up on ThinkCERCA for the below*)
 - [CERCA Framework eLearning Videos](#)
 - [Introduction to CERCA Framework Activities](#)
 - [Writing Lesson Overview Video](#) and [Writing Lesson Instructions](#) (*to walk students through how to complete a Writing Lesson*)
- Use the [6 Week Remote Learning Schedule](#) to support you in determining which:
 - Lessons to assign
 - CERCA components to focus on
 - Virtual student engagement activities to assign
 - Rubric to use to provide students with feedback

ONGOING IMPLEMENTATION

- Continue assigning and implementing lessons using our [6 Week Remote Learning Schedule](#) (or choose your own)
- Refer to the following resources when necessary:
 - [Teacher Training Courses](#)
 - [Remote Learning Resource Center](#)
 - [Help Center](#)
 - Email remote@thinkcerca.com with any questions
